

Program (subject to changes)

Updated on 09.06.2011 at 13h00

Vision: A friendship forum to boost the bilateral relations between the United Arab Emirates and Switzerland by establishing more framework agreements, creating more partnerships, promoting more student and research exchange, developing business in new areas as cleantech, health and public transport and supporting projects in the field of culture, sport and tourism.

Emirati – Swiss Friendship Forum 22 and 23 June 2011 in Lausanne
Transfer of Innovation into Society and Business

Switzerland's knowledge-based economy has a highly developed service sector, led by financial services and manufacturing industries that specializes in high-technology, knowledge-based production. Innovation is a key factor for its development and progress.

The economic strategy of the United Arab Emirates forecasts its transformation from an oil-based into a knowledge-based economy.

The Swiss-Emirati Friendship Forum on 22 and 23 June 2011 in Lausanne will:

- ✓ focus on the theme "Transfer of research and development into society and business"
- ✓ exchange views about knowledge-based economies
- ✓ discuss innovation in cleantech, energy, design, health, management, hospitality, food industry and sport
- ✓ offer opportunities for new business and other contacts
- ✓ open an exhibition about "Late Sheikh Zayed, Founder of the UAE, in Switzerland"

22 June 2011
